Memo

In the year 1926 the Establishments of the Municipality and the Trust Board were revised and certain scales were fixed for clerical Establishments with the sanction of Government

The following scales exist in the Municipal Office -

1st Grade clerks	Rs	45-3-60
2nd "	"	30-2-40
3rd "	"	25-1-30
4th "	"	20-1-25

In the Trust Board the scales sanctioned are -

1st Grade clerks	Rs	45-3-60
2nd "	"	30-3-45
3rd "	"	25-1-30

From a comparison of these scales it is seen that a disparity exists between the scales of 2nd grade clerks in the Municipal and Trust Board offices This differences comes in the way of intertransfer of officials from one office to the other and will not also be convenient for the amalgamation of the two establishments at the eventual dissolution of the Trust Board It is therefore proposed to revise the scale of the 2nd grade clerks of the Municipality and fix it on a par with that obtaining in the Trust Board

The extra cost involved in the proposed revision will be Rs 33½ per month or Rs 405 per year and can be met out the allotment of Rs 18,109 under A 2 (a) salary of -- establishment, in the sanctioned Budget estimate for the year 1928-29

The President,

City Municipal Council,

MYSORE

Dear Sir,

I am desired to invite reference to the marginally noted proposals forwarded by you relating to the revision of the scale of pay and grant of allowances in the Municipality and to state that finances of the Municipal Council would not admit additional expenditure under establishment, on 1st July 1925, the Municipality had liabilities to meet to the extent of over Rs 40,000/- while the cash balance in the Municipality on that date was below the prescribed minimum. In these circumstances it is necessary to exercise economy and prevent recurring charges on establishment being unduly increased.

I am therefore desired to request you to intimate as to which of the proposals now pending are really urgent.

Yours sincerely,

Dear Sir,

L 2493

With reference to your D O letter No L 5078/M1 2-28-80 dated 29/31-1-1929, regarding certain proposals relating to the revision of the scale of pay and grant of allowance in the Municipality, I beg to state that the accrual of the liabilities of the Municipal Council and the short cash balance at the close of the last official year were mainly due to the Municipal Council having had to bear newly 2/3rd of the cost of maintenance of the Vani Vilas Water works Every endeavour is being made to augment the income of the Council and the recent Bye-laws framed for regulating licensing and inspecting the conduct of bakeries, sweet meat shops, hotels etc , and sanctioned by Government in their order No L 4602/M1 65-28-2 dated 5/7-1-29 are expected to bring in a fresh revenue of not less than Rs 6,500 a year The additional work connected therewith is mostly that of the Sanitary staff The licensing work is already taken on hand, and detailed statistics are being collected In view of the extensive and new items of work devolving on the Municipal staff and the zeal they have been evincing in the discharge of their duties, I suggest that I think the proposals contained in the D O under reference may kindly be sanctioned If Mr Basavalinga Setti is posted to Shimoga as Chief Officer on the pay recommended to him by the Council, it is not necessary to sanction the proposal to give him the increase of pay The aggregate extra cost due to these proposals amounts about Rs 1,880, and the same may be met by re-appropriation in view of the fresh source of income referred to above

Yours sincerely,
